PRICE ON REQUEST

Solidity, harmony, strength, and grandeur at your fingertips. Welcome aboard the Absolute Navetta 58! Discover the pleasure of sailing on a large yacht, always in control, always totally safe.

Avoid sacrificing the exclusivity of Italian design and all the features that make you feel at home. Large and well-finished surfaces, frameless windows, and great livability: at one with the sea.

Aboard the Navetta 58, the spaces and volumes are designed with pragmatism and versatility, offering all guests the maximum livability possible. In the large flybridge, a central and panoramic command position, a pleasant bar, a dining table with two sofas, and a terrace are intelligently positioned.

## Beautiful In Every Way

The bow area boasts an enviable sun deck, always accessible in total safety thanks to wide side passages and comfortable handrails. Finely furnished and equipped, the living room, cockpit, and kitchen are perfect for a life on board without sacrifices. Your perfect home on the sea.

## An Practical Dynamic Life

The salon and cockpit—finely furnished and well-equipped—are perfect for a practical and dynamic life on board. The aft galley has a large worktop, a full-sized fridge, a four-burner cooktop, a sink, a dishwasher, and is separated by an electric sliding glass partition.

The helm station is ergonomic and has no central pillars on the windshield, ensuring unparalleled visibility whether standing or seated. The dashboard features EmpirBus home automation technology and can be equipped with two 17-inch GPS monitors with an access door to the side walkway to ease mooring operations.

The lower deck includes two double cabins with wide frameless glass windows, spacious closets, comfortable and elegant bathrooms, and refined furniture with high-quality materials. Finally, the third cabin is double, with its bathroom and sliding doors.
