Sinuous, elegant and refined: the Navetta 68. The Absolute Vision is one of a kind sea creature able to capture the eyes of the most demanding and passionate navigators on the planet.

An absolute comfort reigns in indoor and outdoor spaces dedicated to the conviviality, in a framework of precious and elegant materials, according to the unique Made in Italy style.

Versatility and functionality are further enhanced by the presence of 6 sliding doors and a large storage compartment. The main deck is characterized by brightness, elegance and flexibility of use.

Ready For Adventure

The flybridge is equipped with a hard top with dimensions similar to the ones of the megayachts that can cover the entire dining and piloting area. On the lower deck there's four large cabins. The master cabin raised above the floating level, the VIP cabin and two cabins with single beds.

Maximum Comfort & Style

Just think of the entrance door to the salon with an electric sliding window or an electric sliding glass that gives better privacy to the kitchen and living room.

Even the raised driving helm has a dividing wall with electric high and down mechanism and has been designed to offer the maximum comfort and the best visibility.

Nothing is left to chance in the Navetta 68, not even the engine room impeccably organized in order to allow easy operation and maintenance of the components. Thanks to Absolute all this is no longer just a vision, but a real living experience aboard the Navetta 68.
