Absolute’s flagship is the ultimate expression of generous and unbiased engineering. She has an innovative, elegant, and modern design, as well as the typical grandeur of a Navetta.

Without compromise, this boat perfectly summarizes our style: ergonomic spaces in every room, furnished in the most refined ‘Made in Italy’ tradition, are bright and well-finished in every detail.

The flybridge boasts a large size and offers—with incredible order and dynamic balance—an upper helm station with a side sofa, an elegant bar cabinet in front of a comfortable teak table, and an aft terrace with modular furniture dedicated to relaxation.

An Incredible Experience

In the bow there's an additional unique area with sofas and a sunbathing platform, making it an ideal spot to spend a few hours in full relaxation. The access to the main deck is from a spacious cockpit that features a central sofa at the stern, and a sliding door that can fully connect this space to the salon.

Fresh Water	1100L		

An Stunning Beautiful Layout

The interior is characterized by high windows with unobstructed brightness. There is a comfortable living room with a double sofa, an armchair, a marble coffee table, a wide tv cabinet, and a dining area with an elegant table for the highest conviviality possible.

The very well-equipped galley is separated from the other rooms and takes advantage of an independent space, accessible directly from the external walkways.

The ergonomic helm station is raised from the salon and has a modern, double-sitting position, as well as a side door that is particularly useful during maneuvering operations.

The sleeping area embodies the essence of the most refined Italian style, benefitting from the use of selected materials such as crystal, Calacatta marble, and Murano glass. Moreover, the five elegant and comfortable cabins have en suite heads to ensure outstanding livability.
