The perfect fusion between comfort, functionality, and beauty shapes a model that is synonymous with pure innovation. The design is attractive, harmonic and extremely stylish.

Moreover, the external lines are outlined by uninterrupted, mirrored windows which offer an extraordinary visual effect and remarkable brightness inside the spaces.

Outdoors, the high livability ensures full relaxation in each area. On the flybridge, there is a practical sun lounger next to the well-equipped double helm station, a table with a surrounding sofa, a cabinet with a fridge, a barbecue, a sink, an ice maker, and a terrace towards the stern that can be equipped with sunbeds.

## A Unique Charter Experience

The bow deck ensures maximum quiet and is accessible in total safety through comfortable and protected walkways. Aboard the Absolute 62 Fly, every room gives you an exclusive experience. The Absolute 62 Fly maximizes entertainment, functionality and comfort.

## Functionality & Entertainment

Aboard the Absolute 62 FLY, every room gives you an exclusive experience, maximizing entertainment, and functionality. The spacious, versatile aft cockpit features a cozy sun lounger area, walkways to easily access the aft platform, the fly, the bow, and the beautiful main deck.

Here, the layout and interior decor offer you and your guests an absolute level of comfort. Combinations and contrasts, in pure Italian style, enhance the elegance of the space with essence, leathers, and fabrics worthy of the best artisan tradition.

Moreover, the galley, the table, and the outdoor area can be lived as a single large space for dining, thanks to a retractable glass screen and a sliding access door. Below deck, there is plenty of space to experience your yacht to the fullest and comfortably accommodate eight guests.

The master cabin is full-beam and takes full advantage of the hull's beam (17 feet). It has a large double bed, spacious bedside tables, a two-seater sofa, and a roomy vanity area. The en-suite head is large and has a voluminous shower box.
